MAIN PRODUCT OFFERINGS

Factoring

Factoring often suits smaller businesses in the early stages of growth. This service frees up management time, removing the burden of running a sales ledger and credit control functions by passing this over to Metro Bank Invoice Finance.

Invoice Discounting

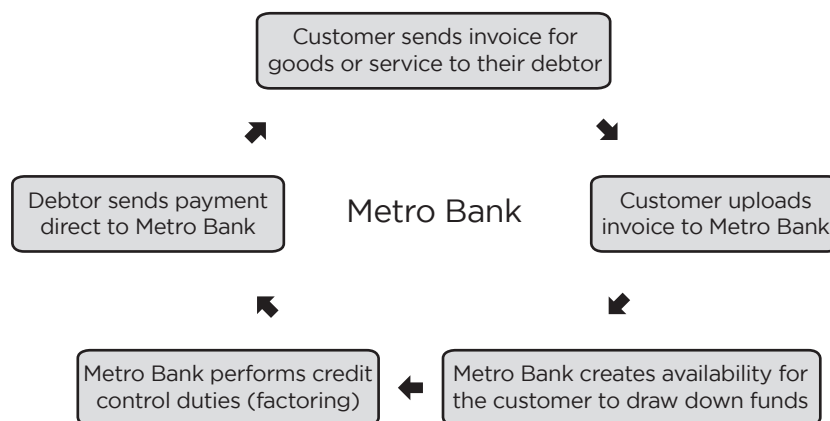

Invoice discounting is suitable for larger businesses with established credit control systems and processes. This facility has the same immediate cash flow benefit as factoring but you maintain control over your sales ledger administration. It is confidential, which means that your customers will not be aware that Metro Bank is acting on your behalf.

Small Business Offering

A simplified solution for new and smaller businesses that provides the funding benefits of factoring, for businesses that require up to £100,000. The key features are:-

- Funding lines up to £100,000
- One single service fee and no discount fee
- No minimum fees
